British Values

Promoting British Values at Three Lane Ends Academy

At Three Lane Ends Academy we uphold and teach pupils about British Values which are defined as:

- Democracy
- Rule of law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths and beliefs

These values are taught explicitly through Personal, Social, Health and Educational (PHSE), and Religious Education (RE). We also teach British values through planning and delivering a broad and balanced curriculum

The Department for Education state that there is a need ***“to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”***

The government set out its definition of British values in the 2011 Prevent Strategy and these values were reiterated by the Prime Minister in 2014. At Three Lane Ends Academy these values are reinforced regularly and in the following ways.

Democracy

Democracy is embedded at the school. Pupils are always listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their opinions and voices heard. Pupils also have the opportunity to air their opinions and ideas through our School Council and regular questionnaires. The elections of the school councillors are based solely on pupil votes, reflecting our British electoral system and demonstrating democracy in action.

The Rule of Law

The importance of laws whether they are those that govern the class, the school or the country, are consistently reinforced. Our school has Rules, which are deeply embedded in our work every day. Each class discusses the rules that are clearly understood by all and seen to be necessary to ensure that every class member is able to learn in a safe and ordered environment. Our pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken.

Individual Liberty

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for our pupils to make choices safely, through the provision of a safe

environment and an empowering education. Our pupils are encouraged to know, understand and exercise their rights and personal freedoms and are advised how to exercise these safely; examples of this can be clearly seen in our e-safety and P.S.H.E. lessons. Whether it is through choice of challenge; of how they record; or participation in our numerous extra- curricular activities; our pupils are given the freedom to make choices.

Mutual Respect:

Respect is one of the core values of our school. The pupils know and understand that it is expected and imperative that respect is shown to everyone, whatever differences we may have and to everything, however big or small. The core value of Respect at Three Lane Ends Academy underpins our work every day both in and out of the classroom.

Tolerance of Those With Different Faiths And Beliefs

Our core value of Respect ensures tolerance of those who have different faiths and beliefs. Three Lane Ends Academy enhances pupils understanding of different faiths and beliefs through religious education studies; P.S.H.E. work; welcoming visitors in to our school to enrich and extend understanding of beliefs, traditions and customs. The children visit places of worship that are important to different faiths. Through this our pupils gain an enhanced understanding of their place in a culturally diverse society.
