

Three Lane Ends Academy

Extra-Curricular Activities

Please see the “After School Clubs” section for information on the activities we offer.

Wherever possible, visits related to each term’s topic are organised to allow children first hand experiences. E.g. A visit to Eden Camp during the How We Used to Live topic.

Taking part in the residential visits we offer in Years 4, 5 and 6 also gives our children the opportunity to participate in a wider range of activities they may never experience again, such as abseiling and caving.
