

SEND Identification Pathway

Child/Young Person is identified as having additional needs
(Teacher, Teaching Assistant, Parent, SENCO)

- If identified by teacher or teaching assistant a referral form needs to be completed

Child/teacher discussions with SENCO to be recorded
(Observations in class to be made)

Depending on needs highlighted during child/teacher discussions and class observations various questionnaires need to be completed.

Area of needs identified/highlighted and actions to be agreed – recorded on Supporting Me to Learn

Suggested support, strategies and interventions to be implemented based on assessments within a given time period

- Any targeted interventions to be recorded on the intervention log

Follow up discussions/review of impact of support, strategies and interventions implemented

Are there any improvements? Has the support, strategy or intervention been effective?

No

Yes

Possible Strategies:

- Further discussion with the SENCO
- Supporting Me to Learn Plan (SML)
- Support services requested: **LSS** (Learning Support Service), **CIAT** (Communication Interaction Access Team), **EP** (Educational Psychologist), **SEMH** (Social Emotional Mental Health team), **OT** (Occupational Therapist), **SaLT** (Speech and Language Therapy), **CAHMS** (Child Adolescent and Mental Health Service)
- Advice and guidance from external agencies
- Start to gather evidence in support of a My Support Plan (MSP)

Monitor progress and review:

- Day to day assessment for learning (class teacher)
- Assessment weeks
- Pupil progress meetings
- Intervention impact evaluations
- Parents evenings
- Pupil voice

Yes

Are there any improvements? Has the support, strategy or intervention been effective?

No

Need for co-ordinated support – all parties involved with the child to contribute to the My Support Plan – monitor and review – if there is still no or progress is limited then through a co-ordinated approach the My Support Plan can be reviewed and submitted to SENART to decide whether and Educational Health Care Plan (EHCP) is appropriate.
