INVESTORS IN PEOPLE

Dear Parents/ Carers,

We would like your child to practise their phonics at home and we have found a great program that is free to access on your computer called *Teach Your Monster to Read*.

This is a series of games that develop children’s speed and accuracy of letter recognition by taking them on a fantastic adventure through magical worlds where they meet island kings and collect letters to win prizes. Children adopt and customise a monster, who they guide through the learning process.

If you are interested you can find out more at teachyourmonstertoread.com

We hope you find the time to take a look.

Yours sincerely

Mrs Westfeld
