Dear Parents,

It has been brought to our attention that some parents are not parking considerately when using the Panthers car park. Unfortunately, some parents have been extremely rude to staff members at the Panthers when approached about parking.

As you know, parking availability around school is extremely limited and therefore we are lucky to have the use of the Panthers car park. The Panthers are under no obligation to allow us to use their car park - it is simply good will and community spirit on their part for which we, as a school, are very grateful.

We would like to continue with the arrangement with Panthers but this could now be at risk. Please can I ask you to respect and protect the arrangement by parking only in the designated areas and doing so with consideration for others.

Yours sincerely
