24th April 2018

Dear Parent/Guardian

Tour de Yorkshire 2018

As you are aware, Castleford is on the route for Tour de Yorkshire. The cyclists will be passing through Castleford on Friday 4th May at 10.43 am for the women's race and again at 4:23 for the men's race. The information on the Wakefield website indicates that there will be a rolling roadblock along the route and these will be in place for approximately 50 minutes.

School will close at 2:30pm to enable children to be collected and avoid the road closures. This will also give families time to arrange to watch the later race if they wish.

Yours sincerely,

K Greator
Headteacher
