INVESTORS IN PEOPLE

December 2017

Dear Parents,

Our next topic will be “Little Explorers”. This topic will be based on different regions of the world. With a focus on animals, plants and significant historical figures who explored the different regions of the world. The first region we will be exploring is the Polar Regions.

Suggestions for your home school project:

- Create a fact file on different animals that can be found in the Polar Regions or a famous explorer
- Draw a picture of the Polar Regions and the animals that live there
- Create a model of the Polar Regions
- Learn about the people who live and work in the Polar Regions
- Create a model of an igloo
- Discover how ice is formed and how it melts
- Complete a weather diary

If you require any paper for your project please let us know.

Details will be sent out at a later date when the projects need to be returned to school. All children who bring a home school project in to school receive an additional playtime. The top 5 projects receive a certificate from Miss Greatorex.
