SEND Review

An external consultant from Pivot was invited in to school on Monday, 19th March to carry out a review of our provision for children with special needs. The review went really well and the findings were in line with our own self-assessment. We will continue working on the recommendations made.

HOUSE TEAMS

This term we are introducing a House Points system into school. Every child will be a member of either the Red, Blue, Green and Yellow House. House points will be given out throughout the day and a record kept in each classroom. The House with the most points will be announced in assembly on a Friday. There will be a reward for the House with the most points at the end of the Academic Year.

Work has now been completed in Year 1, 2, 3 and 4 classrooms as well as the school hall. This half term work will be completed in the Year 5 classrooms, the main entrance and the school office. Thank you for your patience during this time.

BREAKFAST CLUB

The school are now offering a Breakfast Club to all children in full time school. This takes place every morning in the school Dining Hall. Children are welcome from 7.45am and are given a tasty breakfast before being escorted to the school to begin their day. Children can make their own choices for breakfast with a wide range of food options available including cereals, toast with a choice of hot and cold toppings and sausage sandwiches available on Fridays. The children can then take part in a range of free choice activities such as board games, Lego, colouring in etc. The fee for this club is £3.50 per child, per day. For Free School Meals children the club is free.

ATTENDANCE AND TERM-TIME HOLIDAYS

A big thank you to all children who have 97% attendance or more. Many congratulations to the 45 children who have achieved 100% attendance so far this year!

Can I remind parents that I am not allowed to authorise term-time holidays. If parents take children on holiday without permission during term time, it has to be recorded as an unauthorised absence and this may result in a penalty notice issued by Wakefield Metropolitan District Council—monies to be paid to the Educational Welfare Service. All other Primary Schools in the Castleford pyramid have this recommendation in place.

If your child is ill and will not be attending school, please telephone the office on 01977 524483 to notify them of your child's absence. If you know of hospital or dental appointments, please bring the letter into school to show the class teacher. Please confirm the illness in writing via a note or completing a school form.

ATTENDANCE AWARD

This term we will be rewarding good attendance. We will be thinking about the importance of our attendance at school, both as individuals and as a class. We currently award the class with the highest attendance the school teddy bear during our weekly assembly. We intend to further encourage good attendance by awarding prizes to those with an attendance score of 97% or more during the Summer term (Monday 16th April to Wednesday 25th July). If your child achieves this they will win a summer goody bag and parents will receive a free P.E. t-shirt. These prizes will be given out in an assembly during the last week of term.

PARENT PAY

Castleford MAT has purchased ParentPay for Three Lane Ends Academy. This will allow parents to make online payments and for the school to become cashless, which will be safer for children as they will not need to carry money. We are currently undergoing training on the new system which we hope will be up and running in the very near future.
