INVESTORS IN PEOPLE

September 2017

Dear Parents,

This is a letter to accompany the publication of the OFSTED Report which is available from the school office or on the OFSTED website (<http://reports.ofsted.gov.uk>) and our school website ([www.tleacademy.co.uk](http://www.tleacademy.co.uk)) from early next week

Our school has been expanding over the last 5 years and has almost doubled in size since the last OFSTED inspection.

Recent SAT results demonstrate how Governors, The Trust and Leaders in the school have worked to improve outcomes for children attending the school.

We are very proud of learners who were in Year 2 last year who have improved their learning and understanding at Greater Depth by 20-30% in all subjects. This means that the children are working at a greater level of challenge.

In the Year 6 SATs last year, the children’s performance improved on 2016 outcomes.

## Year 6

	2016	2017
Reading	57%	61%
Maths	49%	55%
Spelling, Punctuation and Grammar	66%	75%

The Government particularly monitors the outcome of Disadvantaged children and we were really pleased with the improvement of attainment for those learners.

## Year 6

	2016	2017
Reading	33%	41%
Maths	8%	47%
Spelling, Punctuation and Grammar	33%	71%

Inspectors were in school in time to share the new data and acknowledge the improvements in pupil outcomes. They were very complimentary in regards to the positive relationships across the school and the behaviour of pupils, noting that their spiritual, moral, social and cultural development is strong.

Delivering Information to Families

For free, impartial information about services for parents, carers and their children including:

- \* Childcare
- \* Sports and Activities
- \* Financial help
- \* Parenting support
- \* Things to do and places to go

Tel: 0800 587 8042 or Visit: [www.wakefieldfis.org.uk](http://www.wakefieldfis.org.uk)

Leaders and Governors share the Inspectors view that the new systems introduced last year are beginning to have an impact and we will now continue to build upon them, prioritising and securing good outcomes for every child.

The School Development Plan this year is going to lead us into a challenging time but I'm confident that the children will enjoy more independent learning opportunities and problem solving tasks as a result of the planned changes.

Leaders agree with Inspectors that the school still requires improvement and plans are in place to ensure the high regard in which the school is held by the community, is supported by a good judgement at the next inspection.

Please don't hesitate to contact me if you have any questions.

Yours sincerely

Miss K Greatorax  
Headteacher
